

Ferrnsol™

Concentrated Castile Soap

Pine and Unscented Available

P R O D U C T D A T A

DESCRIPTION

Ferrnsol Concentrated Castile Soap are environmentally friendly as they are made from renewable vegetable oils. This soap is designed to clean surfaces such as metals, plastic, rubber, etc. Its ability to emulsify oils like grease, tar, dirt, and wax make it an ideal choice for industrial use.

USES

- At full strength or diluted
- As a base soap for cleaning products
- Excellent choice for use in all general cleaning applications

ADVANTAGES

- Unscented
- Thick liquid soap
- Biodegradable and environmentally friendly
- Non-toxic
- Phosphate-free
- Solvent-free
- Contains no petroleum products
- Contains no detergents or synthetic cleaners

Directions:

As a general cleaner:

Dilute **Ferrnsol Concentrated Castile Soap** 5:1 with water. Spray or wipe on surface to be cleaned. Scrub and wipe off.

NOTE:

These are recommendations only; depending on application, dilution rate may vary.

CLEANUP

If spilled dilute with water and mop up with damp cloth or towel.

STORAGE

Store in tightly sealed containers in a cool dry area away from direct sunlight and sources of heat. Shelf life of properly stored material is one year from date of manufacture.

PRECAUTIONS

In case of eye contact, flush eye with water.
If swallowed, rinse mouth out with water.

Product Data

Specific Gravity / Density: 1.01 / 8.4
